

Celebrate the Season at Ontario's Conservation Areas

Join Our Mailing List!

Holiday Event Schedule

Can you believe it's December already?

To help celebrate the season, Conservation Authorities across Ontario are hosting festive events. Enjoy a traditional dinner, make holiday crafts, cozy up on a horse drawn sleigh ride, or just relax while taking in the seasonal sights, sounds and smells.

It's a time for family, great food, and fun- and we hope you will join us in celebrating!

Please browse through the event listings below and click on the event title for more information.
